Debris!aa

Let's free our feathered friends from the d???e?? of marine debris. Every year,countlessbirds and marine animals become entangled in discarded fishingnets, plastic, and otherw??te left behind in the oceans.

The image of a bird, trapped by a floating buoy, serves as a stark ?em??de? ofthe urgent need for change. These innocent creatures ??ffe? ??j???e? or evende?t? because of human ?e????e??e.
