[NCVT MIS ITI Result 2023](#) Link: The National Council for Vocational Training (NCVT) has released the results of the NCVT MIS ITI Exam 2023 on its official website, ncvtmis.gov.in. The results are available for both 1st year and 2nd year students.

To check your result, you will need your roll number and date of birth. You can also check your result by entering your name and registration number.

The results are being released in a phased manner. The results for the first batch of students were released on August 13, 2023. The results for the remaining batches will be released soon.

Once the results are released, you will be able to download your marksheet and certificate from the NCVT website.
