The vacancies are spread across various states and union territories. The minimum educational qualification required for the posts is 10th pass. Candidates must also be between the ages of 18 and 40 years.

The selection process for the vacancies will be through a computer-based test (CBT). However, there will be no exam for the posts of GDS in the following states: Andhra Pradesh, Telangana, Jammu and Kashmir, Ladakh, and Andaman and Nicobar Islands.

The candidates who are selected for the posts will be placed in various post offices across the country. They will be responsible for delivering mail and parcels, maintaining records, and providing customer service.

The salary for the posts of GDS is Rs. 12,000 per month. The candidates will also be eligible for other benefits, such as medical allowance, leave travel allowance, and gratuity.

How to apply

The application process for the India Post GDS 2023 Recruitment is online. Candidates can apply on the official website of India Post, indiapostgdsonline.gov.in.

The application fee for the posts is Rs. 100 for General Category candidates and Rs. 50 for SC/ST/PWD candidates.

The last date to apply for the vacancies is August 23, 2023.
