Korean Style Short Ribs [Instant Pot]aa

There's something about short ribs that I adore. Korean Style Short Ribs [Instant Pot]. Maybe it's the meaty and marbled cut or the enjoyment of eating meat off the bones or even the way it naturally absorbs the flavors of what it's slow-cooked with. Regardless, it's one of my favorite cuts of meat to prepare this time of year when all I crave is comfort food. I'm also a sucker for rice and when paired with these Korean Style Short Ribs. The rice just captures every last drop of flavor of umami. To know more [Click Here](#).
