

Indian Coast Guard Recruitment 2023: The Indian Coast Guard (ICG) has released a notification for the recruitment of 46 Assistant Commandant posts. The recruitment drive is open to both male and female candidates who meet the eligibility criteria.

The ICG is a uniformed force that is responsible for the safety and security of India's maritime borders. It is one of the most prestigious forces in the country and offers a challenging and rewarding career. The Assistant Commandant posts are a great opportunity for young and motivated individuals to join the ICG and make a difference in the world. The ICG is looking for candidates who are physically fit, mentally agile, and have a strong sense of duty and commitment.
