

Rehabilitation Centre For Drug Addicts Mumbai

Our team includes professional psychiatrists, physicians, clinical psychologists, counsellors, and nurses who are dedicated to providing 24/7 assistance. Furthermore, various activities such as yoga, meditation and art therapy are arranged to allow patients to relax in addition to helping enhance communication skills. We strive to offer the best support possible for every person at our rehab centre in Mumbai. We have a staff of professionals who will provide you with the best and the most advanced treatment techniques. Call us at 9167943134 and get help now.
