

Vibrant Vegan Sisig: A New Filipino Classicaa

Vibrant Vegan Sisig. Food is an important part of any Filipino's life – mothers, daughters, fathers, sons, grandmothers – we all love our home-cooked meals! One can observe that veganism has slowly been infiltrating the mainstream culture, with more and more people choosing to go entirely plant-based. Being vegan nowadays not only entails nixing animal-derived products from one's diet but also creating innovative recipes and seeing the world from a different perspective.
