# EXPLORING THE REASONSWHY MY GIRLFRIEND ALLOWSGUYS TO FLIRT WITH HER

Figuring out what drives your lady is vital forhandling the situation well. Some possible reasonsshe might be letting guys flirt with her are listedbelow:

## Her Perspective

### Attention-Seeking

Some people need to feel liked and accepted by others, and flirting can help them get what they want. Your girlfriend may allow guys to flirt with her because she likes being noticedand cared for.

#### Social Awkwardness

Setting limits or politely declining unwanted interest is challenging for everyone. Your girlfriend might find it hard to say no to flirty approaches because she doesn't want to getinto a fight or feel awkward in public. She might not know what she's doing, which makesyou feel bad.

#### Openness and Friendliness

People who are generally friendly and outgoing might act in a way that seems like flirting, even if they aren't. Although your girlfriend may be pleasant and enjoy socializing, she may not be interested in a romantic relationship with you.
