

Receipt Hog Review 2025: Is It Legit or a Scam?aa

Using reward apps is an excellent way to save money. If you recently came across Receipt Hog and are wondering if it's worth your time, you've come to the right place.

Receipt Hog rewards you for shopping at specific stores, similar to [apps like Fetch Rewards](#). Whether your goal is to save more money or optimize your spending, rebate apps are worth exploring.

I use Receipt Hog all the time during my household shopping routine. So far, the app has proven to be immensely valuable.

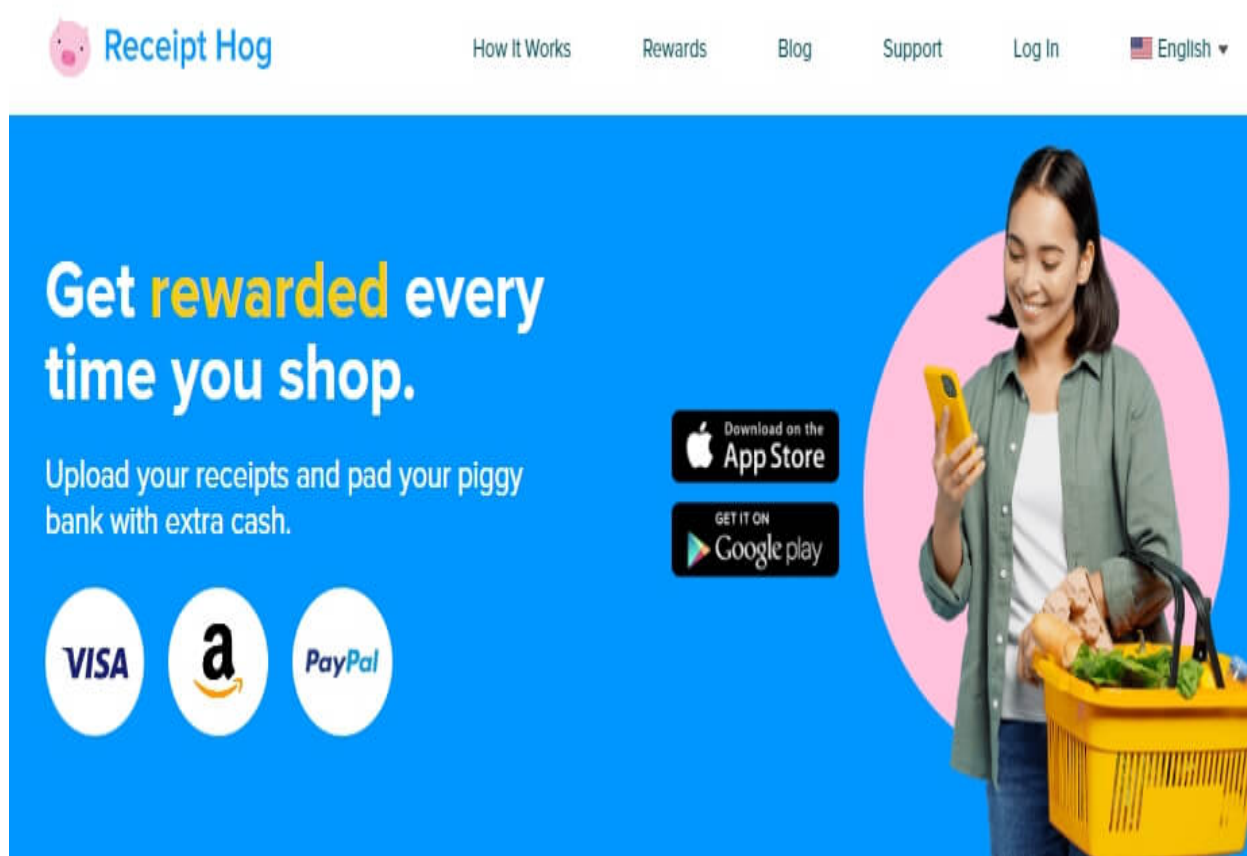

In this Receipt Hog review, I'll share my experience to help you decide if Receipt Hog is the ideal rebate app. I'll also delve into alternatives in case the app isn't suited to your needs.

What Is Receipt Hog?

Receipt Hog, by InfoScout, is a rebate app that lets you earn cashback for shopping at select stores. The platform is accessible on both iOS and Android devices.

The app started in 2011 and has become famous for paying people to shop. Receipt Hog has over 5 million downloads on Google Play and over 160k ratings on the App Store.

All you need to do to make money on the app is shop and then scan your receipts. The best part is that Receipt Hog accepts receipts from almost every store, unlike similar apps.

Receipt Hog rewards you with coins as you shop. These coins are redeemable for PayPal money and gift cards to retailers like Amazon.
