

Best Toddler Classes For 15 Month Old | Bloom Toddler Classes

Best Toddler Classes For 15 Month Old | Bloom Toddler Classes

Foster a love for learning from the very beginning with Bloom Best Toddler Classes For 15 Month Old. Our early learning adventures focus on sensory exploration, motor skills development, and creating a supportive environment for toddlers to bloom into confident little learners.

WALKING – 24 MONTHS

Building on from the multi award winning, Bloom baby classes, CREATIVELEARNERS is a highly interactive toddler class set to our own NEW bespoke Bloomtoddler classsoundtrack.

Each back to back toddler activity has been expertly designed by early yearsprofessionals with your toddler's development in mind and features a new andexciting multi-sensory theme to explore each week – no week is the same!

Through songs, dancing, instruments, parachutes and more your toddler will begin to understand the world around them, flourish in a language rich environment and enjoya range of age-appropriate games and tasks which helps support theirdevelopmental milestones in a fun and engaging way.

This toddler group helps support your toddler's independence and confidence whilst bonding with you through fun and exciting themed play. This class is suitable fortoddlers from walking age to 2 years of age. To find your nearest toddler group nearyou click below.
