

## Biggest sea beasts ever caught by stunned fishermen – from ‘Codzilla’ to 97st monsteraa

From Codzilla to the world’s biggest fish, the oceans are filled with giant sea beasts – and we’ve been taking a look at some of the most infamous and shocking finds from the deep below

The world is full of mysterious animals but none more so than the creatures of the sea.

More often than not, most of those live deep in the depths of the ocean – and the vast majority of them are either utterly gigantic or the stuff of nightmares.

From a giant beast called Codzilla, to a 97st monster you’d make a world record breaking fish and chip supper with, we’ve put together a list of some of the biggest sea beasts ever caught.

It was earlier this month that a bloke caught a fish so big it was given the nickname of Codzilla.
