

## 29 Of The Most Unintentionally Terrifying Statues In The World

Statues from around the world have inspired people for thousands of years! However, not all statues are as inspirational as the Statue of Liberty or the great statue David. Here are a few examples that might just make you question humanity and wonder what the 'artist' was thinking... Take a look at these 29 creepy statues.

### 1. New York, Giant Impaled Crocodile

### 2. Asia: Kate Moss
