

Discovering the Natural wonders. A Collection of Unique Landscapes and Trees

Some natural landscapes and plants arrangements can evoke some rather... “sensitive” images. Whether you believe it or not, take a look at the following images and they will spark your imagination. You might just believe it...

- Mango tree in Malé, Maldives

With its pristine beaches and endless underwater scenery, Maldives is rightfully called a paradise on earth. Here is an image of a mango tree, use your imagination and observation and you will find humor in this picture.
