

StubHub Refunds – How to Get Your Money Backaa

If you need a [refund for StubHub tickets](#), the process depends on the event status and StubHub's policies. Generally, if an event is canceled, StubHub issues automatic refunds, including fees, within 30 days. However, if the event is postponed or rescheduled, refunds may not be available unless the seller allows it. For unwanted tickets, StubHub typically does not offer refunds, but you can relist them for sale.

[can you refund stubhub tickets](#)

To request a refund, log in to your StubHub account, go to "My Tickets," and check the order status. If eligible, follow the prompts to process your refund. For issues, contact StubHub customer support via phone, email, or live chat. Always review StubHub's FanProtect Guarantee for buyer protections. If a refund isn't possible, consider selling or exchanging the tickets through their platform. [how to get refund from stubhub](#)
