

Real-Life Success Stories of People Who Wore a Ruby Stoneaa

Ruby stone, also called Manik Ratna, is often referred to as 'Ratnaraj' or 'king of precious gemstones' and, that is for the right reason. We often consider Ruby as the gemstone of vitality and passion because of its captivating deep red hue and symbolic significance.

Ruby is among those unique and rare gemstones that combine a harmonious blend of beauty, power, intense passion and astrological beliefs. That's why several celebrities across the world – from Deepika Padukone to Scarlett Johnson, Priyanka Chopra and Penelope Cruz, are spotted wearing Ruby to ace their fashionista look and red-carpet appearance.
