Description:

InterCapital Funding is a prominent and comprehensive real estate investment and private lending Firm. The company offers a wide range of services and solutions to borrowers and investors in the real estate market.

Having over 30 years of experience in real estate and finance speaks volumes about the depth of expertise at InterCapital Funding. Having served hundreds of clients further reinforces our track record and suggests a well-established and trusted presence in the market.

We specialize in the turnaround of residential and commercial properties that may not be considered bankable or are in subpar condition. It demonstrates a rich history of navigating the complexities of both these industries. This Specialization suggests a deep understanding of the challenges and opportunities inherent in such projects.
