

## Angel Di Maria says goodbye to international football and will join Inter Miami as a summer energy contract to join Lionel Messi in conquering the challenge in America.aa

If Lionel Messi is the brains behind this Argentina powerhouse then Angel Di Maria is the ?e??t. 'Fideo' is one of the best players to don the Argentine shirt and he has worn it proudly through his long and illustrious career.

Monday's Copa America final was Di Mara's final game for La Albiceleste and he could not have asked for a better ending with the forward even ?????m??? that the perfect ending 'was written.'

"It was written, it was this way. I dreamt that we would w?? this Copa América and that I was going to retire this way. I have so many beautiful feelings that I can't get into. I am eternally grateful to this generation that made me achieve what I sought so much," said Ángel in the post-match interview.

It is hard to put Di Maria's contribution into words. The 36-year-old sometimes seemed to go under the radar but he was also the one who ?te??ed up when the team needed themost, having ??o?ed goals in the 2021 Copa America, 2022 Finalissima and the 2022 World Cup final.

He is also third in the all-time list of appearances for the national team, only behind Lionel Messi (186) and Javier Mascherano (147)

"What could be better than to end like this? It is not easy to reach the finals and w?? them. I know this because I experienced it on the other side. Now it is happening: at somepoint, it had to happen," concluded the ?ete???
