Discover the top 5 most valuable treasures ever found, each worth over \$1,000,000!

Number five on our list is the treasure of the Atocha, a Spanish galleon that set sail in 1622 off the coast of Florida. This ship was carrying large amounts of gold and silver coins, as well as precious stones, which have long been recovered. The total value of the treasure is estimated to be around \$450,000,000.
