

How to Use McAfee.com/Activate to Enter Your 25-Digit Code and Activate Antivirusaa

[McAfee.com/activate](https://mcafee.com/activate) is the official and most secure portal to activate your McAfee antivirus product using a 25-digit activation key. If you've just purchased a McAfee subscription online or from a retail store, completing the activation process is the first step toward securing your device.

To begin, visit www.mcafee.com/activate on your browser. You'll be prompted to enter your [25-digit McAfee product key](#), usually found on the retail card or in your email receipt. Make sure to input the code carefully without any typos.
