

Jude Bellingham hailed by Real Madrid legend as 'UNBELIEVABLE player' after doing 'incredible things' for club and country

Jude Bellingham has been held aloft as an 'unbelievable player' by one of Real Madrid's all-time greats.

The 20-year-old has torched the history books since his £113million summer switch from Borussia Dortmund.

He scored 14 goals in his first 15 Madrid games, eclipsing the previous record of 13 held by Cristiano Ronaldo, Alfredo Di Stefano, and Prudent Sanchez.

He also reached 20 goals for Real Madrid in 29 games, which is 126 appearances faster than fellow Englishman David Beckham did, and look at how highly he is thought of.

Zinedine Zidane has been overjoyed – but not surprised – by the Englishman's fantastic form in the Spanish capital.

'He's an unbelievable player who does incredible things,' Zidane told Adidas via Mundo Deportivo.
