

# RBC Mortgage Review for 2024aa

RBC is one of the biggest banks in Canada, and it has a variety of mortgage products to choose from.

Whether you're [buying your first home](#), a second property, or you want to refinance your mortgage, you should be able to find what you need.

In this review of RBC mortgages, I take a closer look at what's on offer, list the main pros and cons, and compare other mortgage lenders to help you decidewhether RBC is a good option.

## Key Takeaways

- RBC is one of the Big 6 Canadian banks, providing a wide range of mortgage products.
- It offers several types of mortgages, including fixed and variable rates, with terms of up to 25 years.
- Due to its size, it is a trusted and reputable lender, and you may even be able to apply for a mortgage remotely.
