Book Flights with Ease

Travellers in Singapore can now search, book, and pay for flights from over 500 airlines to more than 4,500 destinations worldwide—all within the Booking.com app or website. The complete booking experience includes everything from reservations to post-booking support.

Key benefits of booking flights on Booking.com include:

- **Transparent Pricing:** No hidden fees or surprises—flight costs are clearly displayed upfront.
- **Flexible Tickets:** Choose flexi-ticket options for added peace of mind with easy changes.
- **Virtual Interlining:** Combine flights from multiple airlines with Booking.com's Self-Transfer Guarantee for greater flexibility and value.

24/7 Customer Support: Round-the-clock assistance through live chat or phone support.
