

## Jetstar Asia Launches Direct Flights to Colombo

Jetstar Asia has officially taken off to Colombo, marking a milestone as the first low-cost airline to connect Singapore and Sri Lanka's vibrant capital. The inaugural flight, 3K333, departed from Changi Airport this morning, offering affordable travel options to this captivating destination.

With five return flights weekly on its Airbus A320 fleet, Jetstar Asia provides flexible morning and evening departure options, catering to travelers connecting via Singapore. The new route is expected to welcome over 90,000 low-fare seats annually, opening doors for Singaporeans and regional travelers to experience Sri Lanka's charm while boosting tourism and business ties.
