InCruiters Video Interviewing Softwareaa

The best option for firms wishing to conduct Technical and Non-Technical interviews with candidates is InCruiter's Video Interview Software with Inbuilt ATS, InCVid.

It not only facilitates live interview contacts, but it also has a real-time feedback system and a live code compiler to evaluate a candidate's coding abilities.

Are you tired of sifting through stacks of resumes and conducting lengthy, repetitive interviews? Are you ready to take your hiring process to the next level? We have the perfect solution for you!

InCruiter is thrilled to introduce InCruiter InCvid, the cutting-edge video interview software that will revolutionise your hiring process. Get ready for an interactive and efficient hiring experience like never before!
