

8 Amazing Fig Tattoo Ideas And Their Symbolism

Fig tattoos are equally popular for their deliciousness and their deep symbolism. Fig trees grow rapidly and spread vastly, symbolizing fruitfulness and productivity. In many cultures, the fruit is highly regarded and associated with spiritual enlightenment. In the olden days, fig leaves were used to cover bodies to ensure modesty. Therefore, figs have emerged as a prominent symbol representing protection. Many also wore the leaves around their wrists as talismans to safeguard themselves against evil eyes. Fig tattoos show the fruit in many lights, like the whole fig tree on your back or just the fruit in minimalistic designs. In this article, we have compiled a list of 8 spectacular fig artworks that you will love. Check them out below.

Meaning Of Fig Tattoos

Figs carry rich symbolic meanings. The prominent interpretations of fig tattoos have been discussed below-

- Fig trees are associated with growth and abundance in many cultures. They represent nature's bounty and hint at prosperity.
- These trees are known for their adaptive abilities. They stay strongly rooted and thrive even in harsh weather conditions. Therefore, these tattoos can indicate the wearer's desire for resilience and endurance.
- The spiritual Guru, Buddha attained enlightenment while meditating under a fig tree. Thus, embracing a fig design on the skin can represent the wearer's yearnings to gain divine insight and ultimate knowledge about the world.
- Historically, figs were often associated with mysterious properties. Earlier, people believed that the fig trees, leaves, and fruits are sacred. Thus, many adorn the fig artworks to protect them against negative energies.
- Lastly, many embrace fig tattoos to showcase their deep connection with nature and its gifts. They reveal their harmonious relationship with the natural world with a fig tattoo.

Whether you wish for a minimalist fig fruit sketch or an elaborate fig branch with fruits hanging from it on your skin, we have them all listed on our list. Scroll down.
