

## Wizkid's "Morayo" Album Sets Spotify Record with 48 Million Streams in Six Days

Nigerian music icon Wizkid has set a new benchmark with his sixth studio album, *Morayo*, achieving the largest first-week streams for an African album on Spotify. The album recorded an impressive 48 million streams within six days, overtaking Tyla's *Tyla*, which amassed 46.4 million streams in one full week.

Released on November 22, 2024, *Morayo* features 16 tracks, blending Wizkid's signature Afrobeats sound with global influences. Collaborations on the album include notable artists such as Asake, Brent Faiyaz, Jazmine Sullivan, Anaïs, and Tiakola. Tracks like "Troubled Mind," "Kese (Dance)," "Piece of My Heart" featuring Brent Faiyaz, and "Bad For You" featuring Jazmine Sullivan have already garnered significant attention from fans.

A heartfelt tribute to Wizkid's late mother, Jane Dolapo Balogun, *Morayo* delves into themes of love, loss, resilience, and gratitude. The album continues to dominate streaming platforms, with fans praising Wizkid's evolving artistry and ability to push the boundaries of Afrobeats on the global stage.
