

BBNaija Winner Phyna Disowns Family, Drops Surname

Big Brother Naija Season 7 winner, Phyna, has made a shocking announcement, publicly disowning her family and dropping her surname, Otabor.

In a heartfelt post on her verified X handle, Phyna revealed that she has been facing difficult times lately, citing a lack of support from her family since childhood.

Phyna stated, “I am publicly dropping my family surname Otabor... It has been proven that I actually have no family and nobody knows how I came about.”

She expressed her emotional turmoil, saying, “It’s been rough with me lately... I’m in a place where I can’t even describe how I feel or what to call what I’m going through.”

This announcement comes after Phyna’s father, Mr. Otabor, publicly called her out a few months ago for not assisting him and their family since her rise to fame.
