

Nigerian Content Creator Jadrolita Recovers After Successful Mouth Tumor Surgeryaa

Nigerian content creator Amadou Elizabeth Aminata, popularly known as Jadrolita, has undergone successful mouth tumor surgery.

Jadrolita had previously shared her struggles with a jawline tumor in October.

Fellow content creator Peller shared updates on Jadrolita's health, posting hospital photos and expressing gratitude for the successful surgery.

"Thank you God for successful surgery. My baby is now getting better. God, you are the greatest," Peller wrote.

Celebrities such as Mercy Aigbe, Eniola Ajao, and Craze Clown congratulated Jadrolita on her recovery in the comment section.

Jadrolita's fans and well-wishers continue to send supportive messages as she recovers from the surgery.
