

DJ Cuppy Declares Herself “Wife Material”aa

Nigerian disk jockey DJ Cuppy has confidently announced herself as “wife material” on social media.

Sharing a photo of herself doing laundry, DJ Cuppy praised her hardworking and loving nature.

On X, she wrote: “Wifey material: doing laundry and trying not to break hearts at the same time.”

DJ Cuppy, 32, recently emphasized the importance of spiritual connection, stating any potential husband must “seek God first” before finding her.

This comes after her failed engagement to British boxer Ryan Taylor in 2023.
