

Kizz Daniel Mourns Loss of Mother-in-Law to Breast Cancer

Afrobeats superstar Kizz Daniel has announced the passing of his mother-in-law, who lost her battle with breast cancer.

Kizz Daniel shared the news on his X (formerly Twitter) page, requesting fans to say a prayer for his mother-in-law.

The singer, married to Mjay Anidugbe, with whom he has two sons, expressed his grief and support for his wife.

This comes after Kizz Daniel recently celebrated his wife's endorsement deal with Mikano Motors and shared photos of their family.
